# CAPACITI

Hi there! I'm an AI Engineer passionate about developing intelligent solutions that make a real impact. With a solid foundation in software principles and programming languages, I've honed my skills in machine learning and artificial intelligence through hands-on projects and experience. Currently, I'm working at CAPACITI, where I'm specializing in AI engineering and building innovative applications that leverage AI to solve real-world problems. I'm proficient in multiple programming languages, including Flutter, Java, Python, JavaScript, HTML, and CSS, and I'm focused on integrating AI capabilities into full-stack applications.
